Wisconsin Critical Care Transport Paramedic Course

This course prepares Wisconsin paramedics to function as critical care transport team members for critically ill or injured patients requiring transport between facilities. The course provides students with knowledge of special assessment techniques and needs of the critical care patient; the ability to operate and troubleshoot critical care transport equipment; and develop the skills necessary to maintain the stability of critical care patients during transport. The course follows the Wisconsin curriculum for license endorsement as a Wisconsin Critical Care Transport Paramedic.

Student Prerequisites:

Students wishing to participate in the Wisconsin Critical Care Paramedic program must meet the following prerequisites:

1. Be at least 21 years of age on the date of enrollment.
2. Possess a high school diploma or its equivalent (GED).
3. Maintain valid certifications in the following: health care provider level CPR, Advanced Cardiac Life Support (ACLS), and Pediatric Advanced Life Support (PALS).
4. Possess a valid EMT-Paramedic license or certification with a recommendation of three (3) years experience as a Paramedic.
